A Blunt Instrument by Georgette Heyer - Goodreads  
A Blunt Instrument has to be one of the most droll and entertaining of Heyer's mysteries. I loved it from beginning to end, and figured out whodunnit almost immediately. Ordinarily, this would make me think less of Heyer's writing abilities, but in this case, her "hiding" the murderer "in plain sight" actually causes the reader to second-guess themselves throughout the 309 hilarious pages.

A Blunt Instrument (1938) by Georgette Heyer ...

A Blunt Instrument (1938) by Georgette Heyer I believe this is my first Heyer review on the blog. I read all of her mystery/thriller novels a few years ago, so this is a re-read for me.

Desperate Reader: A Blunt Instrument - Georgette Heyer

Heyer's detective fiction aren't generally as well regarded as her historical romances but I've always enjoyed them, albeit uncritically. Even so 'A Blunt Instrument' isn't necessarily one of her best, there are a couple of romances thrown in but I couldn't really warm to any of the protagonists.

I love Georgette Heyer books, especially the mysteries, and A BLUNT INSTRUMENT is my favorite Heyer mystery. It shows off Heyer's skill in creating characters that make the reader interested in the story. She paints such a vivid picture of the social culture of the time period that it becomes an element of the story. Bottom Line: This story is fun and Ulli Birve gives another great performance [A Blunt Instrument by Georgette Heyer | World of rare ...](#)
