### **A Concise History of Mexico Brian R Hamnett Google Books**

The second edition of this accessible study of Mexico includes two new features: an examination of cultural developments since Independence from Spain in 1821 and a discussion of contemporary issues up to the time of publication. Several new plates with captions expand the thematic coverage in the book. The updated edition examines the administration of Vicente Fox, who came to power with the elections of 2000. The new sections reinforce the importance of Mexico's long and disparate history
