[A Short History of World War I by James L. Stokesbury](#)

Not as good as A Short History of World War II but I think this was a much more confusing time than World War II was. Certainly, if you are looking for a single volume history of the "war to end all wars," this book is a contender, despite the very few maps included. I like that Stokesbury takes us through the causes of the war, then continues to keep the big picture in mind as we are entering

[A Short History of World War II by James L. Stokesbury](#)

A short History of WWII is as the title implies a short book to go around the aspects of World War II along with the major battles and decisions that took place and shaped Europe between 1939-1945 and following 1945 through the Cold War (The Soviet Unions Demands in Europe and the Effect on China in the after math of the war).

[A Short History of World War II - James L. Stokesbury ...](#)

Despite the numerous books on World War II, until now there has been no one-volume survey that was both objective and comprehensive. Previous volumes have usually been written from an exclusively British or American point of view, or have ignored the important

causes and consequences of the War. A
