[Assisting at Surgical Operations by Comus Whalan](#)

Assisting at Surgical Operations deals with all those things you ever wanted to know in the operating theatre but were too afraid to ask. It is an easy to read, humorous guide to the practicalities of surgical assisting - something that is not taught routinely to the undergraduate and often taken for granted in junior surgeons.

[Assisting at Surgical Operations: A Practical Guide ...](#)

There are many superb books on how to do operations but there are few or none on how to assist at them, and none written either by or for medical students or doctors.

Therefore, the skills that make an expert surgical assistant are difficult to acquire. Normally, they can only learn in a haphazard way, by spending years in the operating theater.

Assisting at surgical operations: a practical guide by ... Whalan, Comus The skills that make an expert surgical assistant are difficult to acquire. This volume describes those skills in a concise and systematic way, in surgery in general and in ten different speciality areas.
