At First Touch by Tamara Sneed - Goodreads
Love at First Touch "At First Touch", is the second installment in the "Sibley Sisters" series and I found it to be just as entertaining as the first book. Once again, Ms. Sneed captured the feel of a small country town, the attractions, the gossip, and the sense of community, it made the imaginary town of "Sibleyville" feel so real, especially with the Christmas holiday.

At First Touch (Kimani Romance) book by Tamara Sneed

First let me start off by saying that if you ever want to read a book that makes you laugh pick up a Tamara Sneed book. I re-read her books when I want humor with my

romance. This book is no exception to Mrs. Sneed's style of writing. Although in my opinion this book is not as funny as First Sight, it is just as good. I felt sorry for the leading man at times. Boy was Quinn mean to Wyatt. In the end she saw the light and found the love of her life. I can't wait to read about Kendra.
