Commercialising Security In Europe: Political Consequences ...

The role of commercial security in the domestic setting in Europe is widely acknowledged; after all, the biggest private security company globally G4S Group has its roots in Scandinavia. However, the use of commercial security contracting by European states for military purposes in international settings is mostly held to be marginal.

Commercialising security in Europe Anna Leander

This book examines the political consequences of European security commercialisation through increased reliance on private military and security companies (PMSCs). The role of commercial security in the domestic setting in Europe is widely acknowledged;
