Abstract or Description. The ethics of qualitative research has long been an important topic for methodological reflection and discussion, but in recent years it has also become a prominent part of research methods training .

**Martyn Hammersley and Anna Traianou: An Alternative Ethics?**

3.3 In assessing this alternative approach to research ethics, our starting point is a belief that the standard approach is too narrow, and that it is misconceived in key respects (see Hammersley & Traianou 2012; Hammersley 2014). So, we agree that considerable rethinking is required. At the same time, we find major problems with what is proposed by Denzin and Giardina, and by those adopting a

Ethics in Qualitative Research explores this field and presents a distinctive perspective; one that is at odds with the assumptions underpinning ethical regulation, but also with the views of many qualitative researchers today. Martyn Hammersley and Anna Traianou emphasize the difficult and controversial character of ethical issues, and examine the philosophical assumptions involved, the social contexts in which key ethical principles arise, and their implications for research practice. The

**Book Review: Ethics in Qualitative Research: Controversies ...**

Martyn Hammersley has built a reputation for challenging many of the orthodoxies of qualitative research, through books like *What's Wrong with Ethnography?* (1992) or the more recent *Methodology: Who Needs It?* (2011). In this book, he and co-author Anna Traianou challenge the contemporary orthodoxy of what they call ethics creep – the increasing formality and bureaucratisation of ethics. **Foucault and Research Ethics: On the Autonomy of the**

...

This article uses the later writings of Foucault as a means of reflecting on research ethics, and in particular on the notion of researcher autonomy. It is suggested that such autonomy is a precondition for ethical practice, and also for sound research, and it is noted that it is under threat today, not least from creeping ethical regulation.
