Heart Song (Logan, #2) by V.C. Andrews - Goodreads  
Heart Song by V. C. Andrews is the second book of the Melody series which I am enjoying. This second book is about Melody's search for her natural father, her romance with Cary, modeling for Kenneth and meeting her real grandmother that does not sit well with Olivia. Melody learns more family secrets and stands up to Olivia. It has a shocking ending that left me hanging, eager to read the next.
