A Study of Fourteen Interpretations for Human Reproductive ...

Human cloning is intrinsically evil because it reduces human procreation to a mere manufacturing process, producing new human beings in the laboratory to predetermined specifications as if they were commodities.

#### Human Cloning - Human Life Action

Human cloning is a form of asexual reproduction. It is done by taking genetic material from a person's body cell, injecting it into an egg whose nucleus has been removed or inactivated, and then stimulating the egg to begin embryonic development.

#### Variations and voids: the regulation of human cloning
