I Never Fancied Him Anyway is a very cute and uplifting love story. Cassie is a very lovable character that always has the best at heart. As a very outgoing person is consistently trying to help everyone around her, but at a loss when it comes to herself. Chick Lit has never been my style, but I found this be an enjoyable read. The characters are likeable and quirky. A opportunity for you at [I Never Fancied Him Anyway: Claudia Carroll: Books - Amazon.ca](#)

There was so much to like about this book - Cassie was really likable, and her voice was unique. This would have been a five star read, but the ending was a little too abrupt for me, and it took away some of the enjoyment of the book and the characters.
