[India: A History by John Keay - Goodreads](#)

John Keay's India: A History is a probing and provocative chronicle of five thousand years of South Asian history, from the first Harrapan settlements on the banks of the Indus River to the recent nuclear-arms race.

[India: A History, Revised and Updated: John Keay ...](#)

So in doing a survey of general books on the history of India, and after reading the various editorials and customer reviews, John Keay's book stood out for me as the most up-to-date one to start with, being one which would help me understand the history of India a little better, knowing full well, of course, that there were many others which could probably have served that purpose just as well.
