Emerald: Title Detail: Managing without Leadership by ...

A critical examination of leadership theories past and present, "Managing without Leadership" argues that leadership as traditionally understood does not explain organizational functioning. Bounded by empiricist assumptions and methodology, and including a narrow theory of mind as symbol processor, leadership theories are unable to support their claims about leaders and their actions. Drawing

Gabriele Lakomski - melbourne-eshe.unimelb.edu.au
Managing Without Leadership Towards a Theory of Organizational Functioning. This book argues that theories of leadership do not account for organizational practice. Organizational life is messy and complex and those in positions of leadership, no matter how exceptional, are neither omniscient nor infallible.
