Global corporations initiate, join and maintain socio-technological change and hence, alter the ways in which we organize our lives. Demanding significant investment of resources and time, the development and implementation of new technologies on different levels must take into consideration these subtle processes.

Marketing Technologies | Corporate Cultures and ...

Elena Simakova undertook a lengthy ethnographic study, working alongside marketing managers in a global IT corporation in their Europe, Middle East and Africa (EMEA) headquarters in the UK. Using the experience gained through a close participation in their everyday corporate rituals and routines, her account challenges common perceptions of how corporations make the world think and act with
