Nevil Shute Norway was born in London and worked as an aeronautical engineer at Vickers before setting up his own airship company. Worried that his reputation as a fiction writer would damage his engineering career, he wrote without using his surname. He served in both world wars and was a commander in the Royal Navy Volunteer Reserve in World War II, working on secret projects. After the war

[No Highway by Nevil Shute - Goodreads](#)

No Highway builds an absorbing, suspenseful story around the unlikely basis of scientific research which takes on a much stronger immediacy when it casts doubt on the safety of an airplane. The trouble is, the theory suggesting

the aircraft are unsafe comes from Theodore Honey, an untidy, eccentric scientist whom few take seriously. One of his superiors, the book's narrator Dennis Scott

The most common theme in Shute's novels is the dignity of work, spanning all classes, whether an Eastern European bar "hostess" (*Ruined City*) or brilliant boffin (*No Highway*). Another recurrent theme is the bridging of

social barriers such as class (*Lonely Road* and *Landfall*), race (*The Chequer Board*) or religion (*Round the Bend*).
