21 Tips for Promoting Independence in Adults with a Disability

Promoting independence for people with a disability can be a hard and confronting journey, because your instincts

encourage you to protect and nurture. But if you can embrace the uncertainty and commit to supporting your loved one on this adventure, the end result will be a positive and life-changing one for both of you.

Home modifications Down Under - ResearchOnline@JCU

This paper will describe the policies which facilitate the provision of home modification services to older Australians. It will review the national and state based funding schemes which provide cost free and low-cost home modification services and examine the nature and availability of these services. Research in Australia examining the nature
