Mercedes Lackey: Redoubt

Redoubt is the fourth book in the Collegium Chronicles series. Mags, a young Herald trainee in Haven, the capital city of Valdemar, has very rare talents. Recognising this, the King's Own Herald trains Mags as a spy, tasking him with uncovering the secrets of a mysterious new enemy who has taken an interest in Mags himself.

Redoubt, Mercedes Lackey's 4th book in her Collegium Chronicles seems to me to be merely half a book, the second half. True, there is a first half of the book, but it feels like a mixup of many other Valdemar books.
