One might call Jeffrey Ford's short story The Drowned Life surreal. At the same time, the term surreal in some way implies that there is no real meaning behind a story or behind a plot. This is not the case with The Drowned Life. In fact, Ford tells us early on that a literal shark represents [The imagination is left free to roam - latimes](#)

The collection "The Drowned Life" raises a banner to salute the power of the imagination. Jeffrey Ford doesn't just invent one world with its own rules, creatures and imagery -- he creates dozens in 16 dreamlike stories, which move between science fiction, fantasy and (mostly) normal backyards.
