Michel Foucault, The History of Sexuality Volume I (p. 6) Although Michel Foucault did not work within an established queer theory framework, he is undoubtedly one of the most important precursors to queer theory and the study of gender.

The History of Sexuality: An Introduction: Michel Foucault ...

Compared with the second volume of the history of sexuality, "the use of pleasure", it is easy to decipher the problematization of sexuality that occurred in the 19th century concerning sexual identities, queerness, gender and consequently the whole social fiber. Foucault once again lends credence to the power of discourse to color reality almost irreversibly.
