The plot follows him through his first break from the "Humanoids", his teaming-up with other rebels, their fall, his second escape, and the truly surprising end. Worth the read. It'll make you think about the human nature.

[The Humanoids: A Novel: Jack Williamson: 9780312852535 ...](#)

Williamson dealt with the Humanoids in two works-- a 1947 novelette in Astounding called "With Folded Hands," and a 1948 novel, originally serialized in Astounding under the title "And Searching Mind," later published in book form as "The Humanoids." Still later, the two works were published as one book, again under the title of "The Humanoids."

[THE HUMANOIDS by Jack Williamson | Kirkus Reviews](#)

So the Humanoids gently, impartially, and implacably enforce their directive, the result being that anything dangerous, exciting, or new in human existence is utterly forbidden. Williamson's groundbreaking original story, "With Folded Hands," with its remorseless logic and chilling dystopian conclusion, is included here, while the subsequent novel puts a more hopeful complexion on matters. A

[Jack Williamson - Wikipedia](#)

John Stewart Williamson (April 29, 1908–November 10, 2006), who wrote as Jack Williamson, was an American science fiction writer, often called the "Dean of Science Fiction" after the death of Robert Heinlein in 1988. Early in his career he sometimes used the pseudonyms Will Stewart and Nils O. Sonderlund.
