Ellis sets out a coherent, sustained, and well-supported argument that, as the subtitle states, the languaged lives of plurilingual TESOL teachers matter, both professionally and personally. Ellis sets out her argument with precision and an impressive command of existing literature in the areas of bilingualism. The book is a rich resource of relevant literature, research data analysis, and

The ESL Teacher as Plurilingual: An Australian Perspective ...

The effect of different experiences on teachers' knowledge and beliefs about language learning and teaching are presented and discussed, drawing upon literature from language teacher cognition. Plurilingual teachers were found to see language learning as challenging but possible, whereas monolingual teachers associated language learning with their own unsuccessful experiences and saw it as
