The Reckoning Welsh Princes 3 by Sharon Kay Penman

The Reckoning is a solid read and a better book than Falls the Shadow, so I give it four stars despite some reservations. This last installment of Penman's Welsh trilogy covers the years 1271-1283, as Edward I wages war on Wales in his determination to bring the entire island under English rule.

The Reckoning Penman novel Wikipedia

The Reckoning is a medieval historical novel written by Sharon Kay Penman published in 1991. The plot is of Wales' Llewelyn ap Gruffydd's fight to keep Wales independent of England and of the love story between the Welsh Prince and Eleanor de Montfort. In her writing, Penman presents the nobility of the period and focuses on conflict on various levels from individual conflicts to wars between countries. The novel received generally good reviews.

The Reckoning A Novel by Sharon Kay Penman Paperback

3) In The Reckoning, Sharon Kay Penman created two fictional characters in Hugh and Caitlin. Ms. Penman has said that this decision stemmed from a desire to soften the blow of the bleak conclusion. Do you agree with creating "survivors", or would you rather Penman had not offered this fictional glimmer of hope?

Book by Sharon Kay Penman

The Reckoning is a richly textured mantle that is woven through with strong characters and intense drama. To wrap oneself in it is to become -- for an enchanted, timeless moment -- beguiled by the spell of a master storyteller, for Sharon Kay Penman, with her superb sense of story and her sure grasp of history, makes the thirteenth century so compelling it is hard to return to the twentieth.
