[The Second Coming by John Niven - Goodreads](#)
I liked The Second Coming a lot, but it is a odd book: The first 70 odd pages take place in heaven and are extraordinarily funny. At that stage, I was really excited about the novel. Once the story moves to New York City however, the tone changes increasingly and towards the end, little of that humour is left (though delightful little sparkles pop up now and then). Having said that, the story [The Second Coming by John Niven review | Books | The ...](#)

There's an affectionate nod towards Monty Python's Life of Brian near the beginning of John Niven's novel about God and Jesus. Life of Brian caused plenty of controversy in its day but also
