The Servants: Michael Marshall Smith ... - Amazon
Michael Marshall Smith's THE SERVANTS is a heart-warming tale of a boy's maturation with a slight supernatural twist. The beauty of this book originates from the poetic use of prose and the subtle transformation in emotion and perspective. If you come to this book expecting a flashy, dramatic science fiction tale, this might not be the best reading choice. If, however, you crave something more

The Servants by Michael Marshall Smith - Goodreads
The Servants by M. M. Smith is a rather different offering from the author's previous books as Michael Marshall and Michael Marshall Smith. It has the same core premise as Only Forward and Spares (and to some extent One of Us), of a solidified subconscious realm where the protagonist's psychological issues are worked out through surreally allusive imagery.
