Warfare in African History by Richard J. Reid - [cambridge.org](#)

Richard J. Reid helps students understand different patterns of military organization through Africa's history; the evolution of weaponry, tactics, and strategy; and the increasing prevalence of warfare and militarism in African political and economic systems. He traces shifts in the culture and practice of war from the first millennium into the era of the external slave trades, and then into the nineteenth century, when a military revolution unfolded across much of Africa. The repercussions

increasing prevalence of warfare and militarism in African (PDF) Review: Warfare in African History by Richard J ...

Like Eldredge, Richard Reid focuses on the role of warfare in African history, making a vigorous case, however, for a more traditional documentary approach. Against what he perceives as a postmodern current in the historiography, Reid argues that contemporary European accounts provide a unique window on the military revolution that swept across much of eastern Africa in the nineteenth century. **Warfare in African History - Richard J. Reid - Google Books**

This book examines the role of war in shaping the African state, society, and economy. Richard J. Reid helps students understand different patterns of military organization through Africa's history: the evolution of weaponry, tactics, and strategy; and the increasing prevalence of warfare and militarism in African political and economic systems.
